

Dear friends and members of the KRING Van Zeewerende Ingenieurs

STOWA and Rijkswaterstaat have great pleasure in inviting you to join us in September 2022 for the annual meeting of the KRING. The KRING is scheduled for the 25th to 27th of September 2022 and will be held at the majestic former flagship of the Holland-America line, the Steam Ship Rotterdam in Rotterdam, The Netherlands.

We hope that you will join us in the south-western part of the Netherlands for three days of technical presentations, interesting visits and of course the opportunity, once again, to meet with friends and colleagues with the common purpose of professional flood and coastal risk management.

Ludolph Wentholt
STOWA

Carola van Gelder
Rijkswaterstaat

We look forward to greeting you in Rotterdam this September!

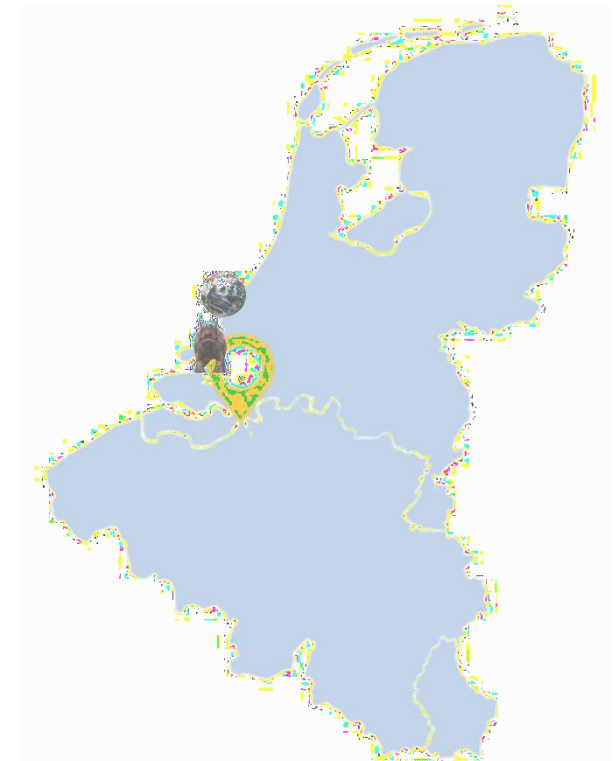

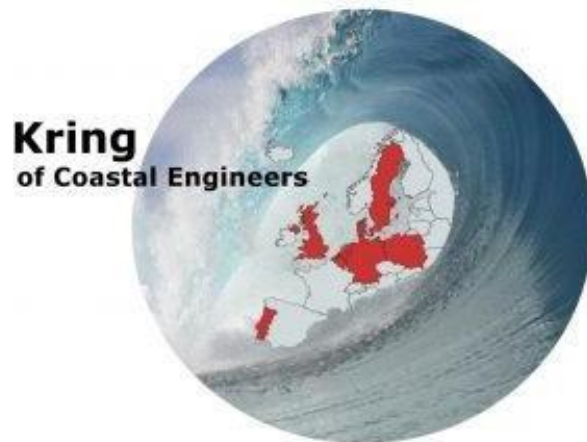

Dear friend of the Kring,

With great pleasure I would like to invite you to the Kring in southwestern part of the Netherlands, at the Sand Motor and the Belgian borders. This year's event will be very different, as you yourself will roll up your sleeves and be involved! We will all participate in a live field experiment. So make sure you register well in advance as tickets are limited...

I am very much looking forward to seeing you in 3D again in a hopefully windy climate in the south!

Petra Goessen

KRING 2022 - Rotterdam The Netherlands

Please find attached an invitation and registration form.

Global outline program:

Sunday, we meet and discover the Steam Ship Rotterdam, we will feed you both with knowledge and food. We close the evening with a panel discussion on Adaptive Pathways, bar will be open afterwards

Monday, we will explore and participate in the Living Lab Hedwige and Prosperpolder experiments (Foreshore measurements, animal burrows research, inspections and emergency response) and feast at the formal Kring diner

Tuesday, we will visit and experience the Sand Motor before dropping you off at either Schiphol International Airport or the Steam Ship Rotterdam

Kindest regards

Organising team for Kring 2022

REGISTRATION KRING 2022

To avoid disappointment, please ensure your registration form is completed and returned no later than 1st of July 2022. So, sign in and participate in our interesting program! It promises to be an exceptional event as always!

The cost for this three-day event is € 660,- (including hotel, meals and transport during our program). After your registration an invoice will be send separately.

Check out the website www.coastalkring.eu Later on, a more detailed program and additional information can be found there. The maximum of participants is limited to 70 and this year we decided to put a limit of 55 places for the participants older than 35 years. So please invite your young(er) colleagues to take part of this year's meeting of the KRING.
